

# La Marzocco Technical Bulletin #108

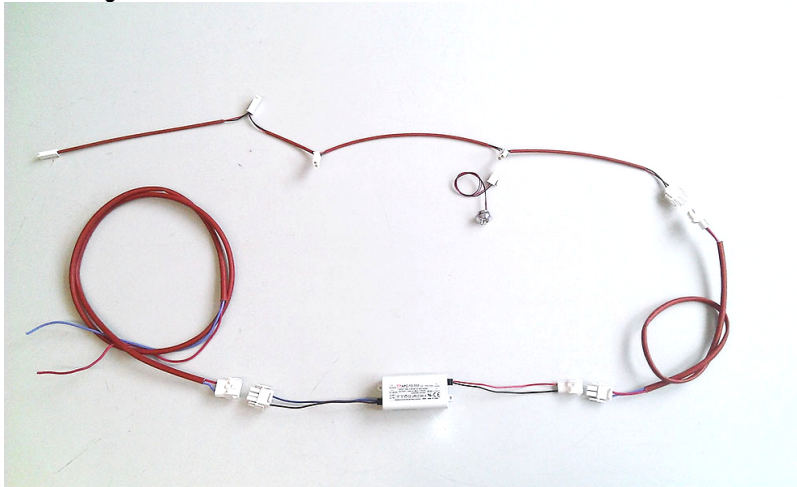

## Barista Light Kits

We are pleased to inform you about the introduction of a new barista light kit, which includes a new transformer and wiring system.

All cables are equipped with new connectors, making new installations or replacing single sections easier. When updating from the old transformer to new transformer, it may be necessary for technicians remove the previous wire connector and in its place use:

|         |                      |
|---------|----------------------|
| E.4.081 | Female connector pin |
| E.4.062 | Male connector pin   |
| E.4.080 | Female connector     |
| E.4.057 | Male connector       |

### Barista Light Kit

### ATTENTION:

This kit should only be installed on machines originally equipped with barista lights.

La Marzocco recommends against trying to fit the new barista light kit into any machine not initially designed with barista lights.

All the parts are currently available for order through the Parts Department

The spare part codes are:

|              |                                             |
|--------------|---------------------------------------------|
| E.4.020.01   | 2 GR C/FASTON/ WIRING FOR BARISTA LIGHT KIT |
| E.4.021.01   | 3 GR C/FASTON/ WIRING FOR BARISTA LIGHT KIT |
| E.4.024.01.R | LIGHTS UL POWER SUPPLY W/WIRING & CONNEC    |
| E.4.023.02.R | WHITE LED 16MM W/CONNECTOR + KIT WASHER     |

Please note that the E.4.023.02.R is composed of one single led light (and the washer). Therefore, in order to get a complete kit for a 3 group machine, you should order:

- n.1 E.4.021.01
- n.1 E.4.024.01.R
- n.6 E.4.023.02.R

Be advised that two transformers and two wiring looms are necessary for a 4-group machine.

We introduced the new kit in production starting from Serial Number:

GB5: GB013550

Linea PB: PB0002194

Linea: L046255

The old led kit E.4.023.01R (without the fast connector) will still be available for old barista light configurations.

Please do not hesitate to contact our solutions team with any questions you have about this update.
